

13 April 1951

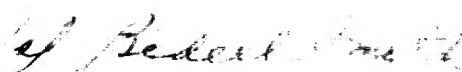

Dear General Bickelhaupt:

Thanks very much for sending a copy of "Signal
Venture" by Brigadier L. H. Harris.

Although I have had only a moment in which to
scan it briefly, it promises to be a most interesting
account and I know I shall enjoy reading it.

With best personal wishes.

Sincerely,

W. B. Smith

Brig.- General Carroll O. Bickelhaupt
Vice President, American Telephone
and Telegraph Company
195 Broadway,
